RE: Amin v. Hingorani et al., Case No. 1:22-cv-09851-PGG
O/R: 2105.002

Dear Judge Gardephe:

This firm represents Defendant Jitin Hingorani and several of the other named defendants in the above-identified civil action. On September 4, 2024, at the parties' joint request, your Honor adjourned the initial conference from October 10, 2024 to October 4, 2024. (Dkt. 66.) October 4th this year falls during the Jewish High Holiday of Rosh HaShannah, and therefore Defendants' counsel will be unable to attend this conference.

Accordingly, I respectfully request that the pretrial hearing currently scheduled for October 4, 2024, at 10:00 a.m., be rescheduled to sometime after October 16, 2024, after Plaintiff's counsel returns from California¹. I also respectfully ask, if your Honor's schedule can accommodate it, that any rescheduled hearing not take place on a Tuesday.

The parties' counsels further request that the deadline to submit the case management plan be moved to seven days prior to the conference.

If your Honor would permit it, both parties' counsel would prefer to appear via telephone or videoconference. I have spoken with opposing counsel, who consents to this application.

MEMO ENDORSED:

The conference currently scheduled on October 4, 2024 is rescheduled to October 17, 2024, at 2:30 p.m. in person. The parties' joint letter and proposed case management plan is due by October 10.

SO ORDERED.
